- We needed to have a home cleaned (between renters), and I called Wanda at Always Home Services. She was very professional and easy to work with. We had a specific day that worked best for our schedule, and she made that happen for us. Edna came out and worked very hard for the entire four hours we had scheduled. She took care of everything I asked of her and even some that I didn't! We were very impressed with her diligence and pride in a job well-done! I would definitely call Always Home Services the next time we have a need! Janell W. Livermore, CA 2020
- Edna is just finishing our house. She cleaned the house like the expert she is, including the windows. I have a bad back and she even washed and dried our heavy bedspread! Honestly this is the best cleaning service I've ever had. I will definitely call Always Home Services again! The owner, Wanda, was very easy to reach to set up the appointment. I am extremely grateful and happy with the professionalism and attention to detail in every aspect of my requests. Thank you for your kindness and help!! Patty B. Modesto, CA 2019
- Great customer service! I was in a situation of needing a move out clean asap due to mis-scheduling of cleaners. I called the day before I needed to move. The owner, Wanda, was great in helping me! I would tell everyone about Wanda! Wanda obviously cares for her clients and it shows! I have read the only bad review this company has. If you look at the person who did the review, you can see by her posts she's an unhappy camper in life! Don't let this one review stop you from using this AWESOME COMPANY! Ronnie S. Las Vegas, NV 2019
- Loved my experience with Always Home Services!! Edna arrived on time and did an amazingly thorough job cleaning my home. I was so happy and impressed with the quality of work and professionalism Always Home provided. Will be using their services again soon! CB, West Palm Beach, FL 2019

- So glad we found Always Home Services to help us take care of our vacation home! We've been looking for a reliable and reasonably priced cleaning service to come in between guests, and their prices are competitive, and they are extremely professional, responsive, and trustworthy. Wanda has a whole team to do whatever is needed it seems, including yardwork, and she's so helpful in managing them and making sure the work is high quality. They've sent staff immediately the next day, and are flexible, and can be paid remotely online, so it makes our lives easier. We couldn't be happier to find a service that can keep our home maintained while we are away and busy! Lailan H. Oakland, CA 2018
- My boyfriend and I had a move out cleaning done by Always Home Services for our 2-bedroom, 1 bath rental we lived in for about 18 months. Very professional business owner came to do estimate - Wanda was punctual and thoroughly explained what would be cleaned and how long it would take. The day of the cleaning, my boyfriend let the cleaners (2) in with their supplies and did a terrific job in 4 hours I believe. I received my full security deposit back upon my move out inspection with the landlord. I would use this service again even to do a regular cleaning before or after a family and friends get together like hosting an Easter meal/ something similar. Eden D. 2017

I called Always Home and was greeted with wonderful and speedy service. I was able to get an appointment same day and the service didn't break the bank. Very happy with the outcome. Amanda L., Novato, CA 2018
- We were pleased at the immediate response when we requested a quote for house cleaning services. Wanda (owner) responded promptly and scheduled a walk-through at our residence. During the walk through, she spent time to go through the house room by room to ensure that the cleaning would be customized to our needs. She sent her two best cleaners and at the end of the day Wanda came back to check up on what they had done. We like that Wanda was willing to work with us on a cleaning plan that fit our needs. Thank you for a fantastic job on a *very* last minute call! Highly recommend. Leslie H. Carmel-by-the-Sea, CA 2019
- Don just left my house after cleaning 20+ years of yuck off of my kitchen walls! Great job. He managed to actually get my laminated floor to look new. He somehow got the grease and dust off of a set of blinds - I'll have him back next month to do the rest of the blinds in the house. Bathroom floor and baseboards have never looked so good. Very reasonable. I would not hesitate in recommending AHS. Plan to bring them back next month for my office. Deary L., Monterey, CA 2019

- We have had a GREAT experience with Always Home Services! Our home needed a lot of TLC prior to us hosting a family wedding, on relatively short notice. Owner Wanda Delahanty is very responsive and communicates frequently, and was able to arrange deep cleaning, gardening, window washing, handyman services and carpet cleaning all according to our shifting schedule. Wanda followed up at each step to make sure we were happy with the service. The pricing was very reasonable for the level of service received, and Wanda being a local resident gives a level of trustworthiness that's priceless when you're not there full time. We will continue to use Always Home Services, and highly recommend them. Kristin E. Vacaville, CA. 2019

I have been needing to declutter and get some deep cleaning done, but with everything else going on, I just haven't had the time.
